Not all dictionaries contain the word "shun-pike," but it was in common use in this country a century ago and throws an amusing light on the character of some of our thrifty ancestors. A "shun-pike" was a short byroad that left a turnpike on one side of a tollgate and joined it again on the other.—Youth's Companion.

**COULD NOT REGAIN
STRENGTH USED UP
DURING INFLUENZA**

Indigestion and Headaches Finally
Gave Way Under Treatment
With Dr. Williams' Pink Pills

"A few days of influenza so completely used up my strength that it was months before I felt like myself again," says Mrs. Lucy Weber, of No. 990 Everitt avenue, Cincinnati, O. "At times I became discouraged of ever getting completely well and it wasn't until I followed the advice of friends and began treatment with Dr. Williams' Pink Pills that I found a remedy to help me."

"My stomach was badly upset, in fact, it seemed as if nothing I ate digested and I suffered day and night. The indigestion appeared to bring on sick headaches which lasted for hours and I had to endure them until they disappeared, for nothing that I tried helped me. I was so weak at times I couldn't do my work and was sore all over my body, especially through my shoulders."

"After a few days' treatment with Dr. Williams' Pink Pills I obtained the first relief I had experienced in months. Gradually the indigestion disappeared and each day I felt a little stronger. The pains are gone now and I do not have sick headaches any more. I can certainly recommend Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills are sold by all druggists or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., on receipt of price, 60 cents per box. Write for the free blood book.

Keep Looking Young

Nobody wants to grow old looking any faster than they can help; some look old at forty while others don't begin to show their age at seventy.

Everybody knows that to keep young looking you have first got to be blessed with good health, and second to do as little worrying as possible. Most of the ills that the flesh is heir to are caused by a disordered stomach, liver or kidneys. These can be regulated and kept in good condition by taking SEVEN BARKS, nature's great remedy of roots and herbs.

Digestive troubles also spoil beauty, rob you of sleep, make dark rings around the eyes and ruin the complexion. Let SEVEN BARKS digest your food and tone up your stomach, then you may eat what you like; bright eyes will soon return, and you will feel fit for your daily duties.

Science says that old age begins with weakened kidneys and digestive organs. If you keep these organs cleansed and in proper working order, old age can be deferred and life prolonged beyond the average age. No better remedy can be found than SEVEN BARKS to keep the stomach, liver and kidneys in good order, thus assuring you good health.

Old-fashioned nature's remedies are the best, so don't fail to keep a bottle of SEVEN BARKS on hand. Get it at your druggist's. Price, 60 cents.

**From Thin to Plump—
Girls**

The expressions of happiness and gratitude of several of his young lady patients for whom he prescribed the recently successful flesh forming product, known as three grain hypo-nutrient tablets, is related by a physician in one of the medical publications and it comes as a surprise to the ordinary layman to learn the heart throbs of distress which seemed to affect so many young people who are abnormally thin. Also to know that the weight can be so readily increased by the use, regularly for several months, of this peculiarly named preparation, now obtainable of the best apothecary shops in sealed packages with complete instructions for self-administration.

at the home of Mrs. Allen's parents, Mr. and Mrs. Wayne Spencer of North Bennington called Sunday on friends in town.
